MILTON COMMON

WHAT WE DO

HOSTING A BIRTHDAY, ENGAGEMENT, WEDDING, OR BACKYARD SHENANIGANS AT YOUR PLACE?

WE'LL TAKE OFF THE STRESS AND COME TO YOU!

Built by our very own team from a refurbished horse float, the mobile bar is fully functional with three beer taps, refrigerators and water supply.

Staffed by two of our many RSA certified legends, we will provide the glassware and make having your own bar as easy as opening the gate for us.

Our packages are aimed to make deciding easy and ensure a smooth process leading up to and during your event.

We are happy to discuss more bespoke offerings with you should you have specific requests. Just don't ask us to bring someone else's beers!

All packages are priced for 3hour events, with longer hires available at an extra cost.

If you're hunting anything in particular, let us know and we will do our best to accommodate!
